This foundation programme is specifically designed for full time students preparing for undergraduate studies at UNIRAZAK. Students with SPM or O-Level or equivalent qualifications are required to complete 50 credits to enroll in the degree programmes. CFS and UNIRAZAK will equip students new to university life with the necessary skills and knowledge to navigate their chosen programmes. These include interpersonal and communication skills, as well as analytical and quantitative abilities, to enable students to work effectively in a team for group assignments and related activities.
